10 January 2022

Raynes Park Roadshow

Dear Resident,

Thames Water and Merton Council would like to invite you to join us on Wednesday 12th January where we will be set up outside Raynes Park Train Station (SW20 0JY) to provide information about sewer flooding and answer questions from residents.

Members of Thames Water's Waste Networks Team will be on site from 11:00-14:00 to answer questions, provide information about local sewer improvement projects, and give out useful literature about sewer flooding and who to contact if it does happen.

We look forward to seeing you there.

For more queries about sewer flooding, or other issues to do with billing or clean water, you can find useful information and contact numbers on our website at www.thameswater.co.uk

Yours sincerely,

South London Waste Networks Team
